Subject: Report on "Ek tareekh Ek Ghanta Ek Saath" Program at Visvesvaraya Park, Davanagere

Date: October 1, 2023

The " Ek tareekh Ek Ghanta Ek Saath " program organized by our college at Visvesvaraya Park on October 1, 2023, at 10:00 AM was a resounding success. Teaching and non-teaching staff, as well as NCC & NSS volunteers actively participated in this initiative to promote cleanliness and environmental awareness.

The event commenced at 10:00 AM, with all participants gathered at the designated area in Visvesvaraya Park. The program started with a brief inaugural ceremony, where the college principal addressed the gathering and emphasized the importance of maintaining cleanliness in our surroundings.

Following the inauguration, participants were divided into groups to cover different areas of the park. Each group was equipped with cleaning materials such as brooms, trash bags, and gloves. The participants enthusiastically engaged in cleaning up littered areas, removing debris, and ensuring that the park regained its pristine condition.

The NSS volunteers played a crucial role in coordinating and overseeing the cleanliness drive. They also organized an informative session on the significance of environmental conservation and waste management, educating everyone about responsible disposal of waste.

The program concluded at 12:00 PM, with all participants coming together for a group photo to commemorate the event's success. The park looked significantly cleaner and more inviting after our collective efforts.

In conclusion, the "Ek tareekh Ek Ghanta Ek Saath" program was a commendable initiative that showcased our college's commitment to community service and environmental responsibility. It fostered a sense of unity among the teaching, non-teaching staff NCC & NSS volunteers, all working towards a common goal. Such endeavors not only improve the immediate environment but also promote awareness and a sense of responsibility among all involved. 72 Students participated in the programme.
